

## Sun Tunnels

### Sun tunnels

Add natural light to those dark internal areas of your home, such as cupboards, hallways and stairwells. They also look great from the outside with the flat glass rooflight appearance.

- Available in rigid (10" or 14") or flexible (14") tunnels.
- Clear and clean coating keeps glass cleaner for longer.
- Comes with white ceiling ring as standard. Other effects available.

### Flat roof sun tunnels

- Available in 14" diameter flexible tunnel.
- White PVC kerb with polycarbonate cover.
- Recommended tunnel length for optimum daylight performance: 0.2 – 0.9m.
- 10 year VELUX guarantee.

Packages include: Rooflight with integral flashing and toughened glazing with clear and clean coating, flexible or rigid tunnel and double layer acrylic diffuser with white ceiling ring.

External frame size (nominal w x h) cm
